King of Kings

LUTHERAN CHURCH

August 1, 2021 — August 7, 2021

Heavenly Father, having created faith in us through your Holy Spirit, cause us to continually desire to be fed the Bread of Life through your Holy Word and Sacraments, and thereby be strengthened in fellowship with you and with one another. In Jesus name we pray. Amen.

Understanding "the Loaves"

During the time of Jesus' earthly ministry, bread was the staple food of every household, rich and poor alike. The value of labor was measured in how much bread it would buy to sustain the family. **Jesus told the Jews to desire a different bread.**

"Do not work for the food that _____, but for food that _____ to eternal life, which the Son of Man will _____ to you. For on him God the Father has set his seal." John 6:27

Food that sustains one for eternity that is the work and gift of Christ and is received through faith is much more important than food earned through our earthly labor that lasts only a short time.

"For the bread of God is he who comes down from heaven and _____ to the world. I am the bread of life; whoever comes to me shall _____, and whoever believes in me shall _____." John 6:33 & 35

As recipients of the Bread of Life we have new purpose and different "work."

"He gave the apostles, the prophets, the evangelists, the pastors and teachers to equip the saints for the _____ of _____, for building up the body of Christ."

Ephesians 4:11-12

Conception—Implementation—Execution

The goal of this work of ministry shared by all believers and sustained by Christ is to build the Church and bring all believers to maturity in faith and Christian life.

"This will continue until we all come to such unity in our faith and knowledge of God's Son that we will be mature in the Lord, measuring up to the full and complete standard of Christ."

Ephesians 4:13 NLT

Lord, in your mercy, hear our prayers this week...

Gracious heavenly Father, as You provided for the Israelites during their journey through the wilderness to the land You had promised, give us confidence to trust in Your promises and to look to Your hand to provide all we need for this life and for the life to come. Enable us to walk in humility, gentleness and patience, that we would bear with one another in love and be eager to maintain the unity of the Spirit in the bond of peace.

Lord of all, hear our prayers for the hungry and the homeless. Provide for them not only bread to satisfy their hunger but, above all, the true bread of life, Jesus Christ, who alone can fill and satisfy every need of body and soul.

Show Your mercy to the sick and hospitalized and those who are recovering, including Jana Burrington, Guy and Linda Patten, Ann Knupp, Allen Konrad, Keturah Weber and Bill Thurm. Grant them relief from pain and rapid healing according to your will. Continue to be with others who are in need of care, including Chad Winterhof, Faith Buss, Bob and Jan Fruth, Jerry Green and Jack, the grandson of Bob and Pat Harris. Provide doctors, nurses and other medical professionals to care for those who need health and healing.

Lord of the Church, encourage us to greater love and service. We especially pray for King of Kings' life group ministry. Move the hearts of your people to actively engage and encourage one another through your Word and the fellowship that is ours through your Spirit. Bless this ministry as a means by which to engage those who do not yet know you.

Gracious provider of all good things, strengthen and empower our young people who have returned home from their servant trip to West Virginia. May this experience of love and service for others capture the hearts and minds of those who participated so they may go forward with a greater appreciation for the depth of your love for them in Christ.

Prayers for Healing and Encouragement:

Jana Burrington
Guy & Linda Patten

Summer in the Son— Youth Group Trip Sharing—

Join us Sunday, August 8 during the 9:30 Summer in the Son hour to hear the High School Youth share about their trip to Huntington, West Virginia.

From a grateful Stephen Ministry Care Receiver

"To anyone who is considering a Stephen Minister, give me a minute to tell you my experience before deciding. At one time I struggled with saying yes to this kind of partnership. I figured I had been handling my life struggles for so long, why add that kind of mentoring now.

It turned out to be more of a blessing than I even could image back then. This kind of experience is going to be a different kind of "personal" for each pairing, but I experienced a deep shift through this process.

The Holy Spirit is always present but when my Stephen Minister and I met, my faith became even more empowered. I never felt judged or strong armed.

She would gently bring my thoughts back to the only Power that transforms hearts. She would always give God true credit for all the healing.

We had lots of laughs along with some necessary tough feelings. I felt like no topic was off-limits. They are highly trained and very compassionate.

Give yourself the gift of time partnering with a Stephen Minister. Let God help you in this manner. I personally have found out that a heavy heart can be lightened in this way. Know God wants to bless you in every way that is good for you. Time with a Stephen Minister is a ten-fold grace.

Thankful & Blessed Care Receiver"
