# Gospel Mime 2023: Brighter Days

**Use this program as your guide through the story tonight.**

Each scene contains the scene title, a brief description and some key lyrics from that song.

**If you are unclear on any aspect of the mime,** please don't be afraid to ask a pastor or another Christian friend. It is our prayer that everyone would understand The Story. Listen closely to the music used in each scene as it will help tell the story of the scene in a unique way.

**Action will happen all over** the sanctuary and may even happen behind you.

**PLEASE turn off or silence all cell phones** and other electronic devices as you enter.

Thank you!

**YOU have a part to play tonight!**

***In scene 6,*** there is participation: you will be “the crowd” in the “Feeding of the 5,000”.

***After scene 15,*** join us in the victory celebration when Jesus rises from the dead. You will be ushered up to receive a white cross on your cheek representing that you are part of The Story as well. This of course, is optional. All are welcome.

## **Costumes**

**Characters in darker clothing** are depicting Pharisees, soldiers, and various roles that oppose the kingdom of God, with Satan dressed in all black. We simply call them “The Bads”.

**Characters in colorful or white clothing** are depicting members of Jesus’ life including His own disciples. Jesus is dressed in all white. We call this group of people “The Goods”.

**Character in gray clothing** This character represents everyday people in our modern world. We experience everyday things and also have a chance to experience the Gospel of Christ! We call this character “Our Guy”.

**Character in black and white clothing** This character depicts Judas who was a disciple and follower of Jesus prior to turning against him, betraying Jesus for selfish gain.
